

Member Benefits 2025

ANCOR 100% State Association Membership

As a member of the Institute, you have access to all of the benefits of being an [ANCOR member](#). Those benefits include access to ANCOR's reports, partner resources, training events, weekly legislative briefings, the ANCOR discussion and Q&A boards, and so much more.

Each agency leader is listed as the primary contact for that organization and that person can [update their organization's roster](#).

Open Minds Elite Membership

Open Minds is a national organization specializing exclusively in the markets of the health and human service field that serve consumers with chronic conditions and complex support needs. Their mission is to provide the payers, service provider organizations, and technology and scientific firms that serve these consumers with the market and management knowledge needed to improve their organizational efficiency and effectiveness. They bring expertise and experience to training, conferences, executive development, and learning communities.

With Elite status, Institute members receive free registration to many of their conferences and events. To add staff to the Open Minds roster, please email Rebecca at rebecca@instituteonline.org.

DDNA Membership

The Developmental Disabilities Nurses Association has partnered with The Institute such that each Institute member organization can access up to two complimentary annual memberships to DDNA for their nurses or QIDPs. DDNA offers both regional and national events, training, resources, networking, and joint outreach and communication related to nursing services for people with intellectual and developmental disabilities.
